Oyama Brings His Armies to the Front for Decisive Conflict with Linevitch, While Rojestvensky Seeks Togo for Naval Engagement.

SKIRMISHING HAS BEGUN— RUSSIANS DRIVEN BACK.

Dual Clash of the Two Nations Expected to Be the Bloodiest in the World's History-Czar's Supply Ships Hurry Off to Find Fleet.

ST. PETERSBURG, May 20-5.32 P. M.-The War Office drme the report from Gunshu Pass, Manchuria, that Field Marshal Oyama is on the eve of taking the general offensive, and no doubt is entertained here that Gen. Linevitch will accept bat-

The General Staff believes Oyama's advance was precipitated by the doubt regarding the issue of the coming naval battle between Admirals Rojestvensky and Togo.

With an unbeaten army in front of him Oyama's position might be eritical if his communications with Japan were interrupted, even temporarily. GUNSHU PASS (108 miles north of Tie Pass), Manchuria, May 20.--A

ral engagement is imminent. Field-Marshal Oyania is deploying heavy se against Gen. Linevitch's left and is concentrating his troops along atre, but his base is opposite the Russian right. It is not yet clear which wing is making a demonstration and which will

iver the main blow. It is evident from Linevitch's preparations that he pages to accept a decisive battle.

PARIS, May 20.—In momentary expectation of the news that Japan and

a have met in simultaneous battle on sea and land, there is extreme in all circles here, military, naval and commercial bodies being engrossed in the possibilities of the dual engagement that will likely ploodiest in the world's history. France is not alone in this respect, advices from all the European

as showing that general attention is focused on the China Sea and the Selting ground in Manchuria. It is undoubtedly Japan's plan to attack the Russians in the field im-

nediately word is received that Rojestvensky and Togo have met in naval This is shown by the fact that Oyama is already resuming his cambient. The point of the liveliest that the point of the liveli

der, while the battle line now extends for forty-two miles. Rojestvensky's movements are a mystery to all, but his latest known

Togo is just as anxious for the conflict and is apparently awaiting the th, which naval experts believe will be in the vicinity of Formosa.

One column of Japanese is marching along the railroad. The two others are

! (ENES OF THE TWO GREAT BATTLES IN THE FAR EAST.

GRAVE PERIL

Justice Dugro It Gets Beyond Control.

Two richly dressed women, one of them elderly, riding in a smartly ap-pointed dogcart belonging to Justice P. H. Dugro, of the Supreme Court, narcart collided with a brewery truck, the nts show that he has sailed northward for battle and will in all women and their attendant, Airred T. Downs, a negro, were thrown to the sity begin the righting.

The dogeart, with the young woman than a street and one of the horses attached to the brewery truck was almost killed.

The dogeart, with the young woman

driving, left the Savoy Hotel, where Justice Dugro resides, and started down Fifth avenue. It was driven at a spank-ing clip and attracted wide attention as the outfit was perfect in every detail from the tip of the horse's nose to the toes of the boots of the irreproach-ably attired tiger.

Policemon Seemed to Know Her.

Policemen who might ordinarily warn a person driving very rapidly in the crowded avenue paid little attention to

officers on leaving Port Arthur ad-pressed a letter to the Chief of the fapanese Medical Staff thanking him for the care of the Russian wounded and enthusiastically expressing fra-cernity with the Japanese surgeons.

He bolted like a shot, straight for the truck. One of the shafts of the dog cart pierced the shoulder of one of the brewery truck horses. In a moment all three horses were tangled up and kick-TWO WARSHIPS.

ing.

They kicked a wheel off the dogcart, and the two women and the tiger, who had not light time to get down, were tumbled to the pavement. Neither of the women was hurt and they hurried away in a cab. The negro, who was left to take care of the horse, refused to give their pames to Policeman McCongell. An ambu ance sent by the S. P. C. A. removed the injured brewery horse

PUZZLE THE DOCTORS

Duke of Ed.nburgh type, was launched at Glasgow to-day.

The Africa is of 18,350 tons displacement and her engines are constructed to develop 18,000 morse-power. She has an armored bett of 9 inches of sicel, has 8.7 inches of armor above the belt. Iz inches of armor above the belt. Iz inches of armor over her build-heads, 12.6 inches of steel armor over her her sun positions, 7 inches of Krupp steel over her secondary battery and an armored deck 2 to 1 inches thick.

The armament of the Africa consists of four 12-inch suns, four 9.2-inch en 6-inch and twenty-eight smaller guins. She has four torpedo tubes, is designed to steam 18.5 knots, carries from 950 to 2,150 tons of coal and will have a complement of 76 officers and men.

The Cochrane is of 23,500 horse-power, will carry 1,000 tons of coal and have a speed of twenty-two knots. Her armor is six inches thick and her armanier will carry 1,000 tons of coal and have a speed of twenty-two knots. Her armor is six inches thick and her armanier will smaller guins.

The couliser has three torpedo tubes and her complement will be 704 officers and men. When completed she will have cost about \$5,785,000,

SEVEN INJURED, MANY BRUISED IN CAR CRASH

One in Side and Rips Up Seats.

Greene avenue, Brooklyn, caused an upbound Putnam avenue car to ram a line amidships to-day, injuring at least seven persons and bruising many others who were thrown into a panic by the

The injured are: CHASE, CHARLES, fifty-five years old, of No. 579 Macon street, Brooklyn, abrasions of the right leg. GOODWIN, JOSEPH, twenty-two years old, of No. 452 Carlton avenue,

McDONALD, Mrs. ANNA, twenty-two years old, of No. 641 McDonough street, contusions of the right leg and numb

M'DONALD, MARGARET, four years oùi, struck in right temple by a large splinter, sustaining gash. clans and taken to their homes, while four others, after treatment, went on to New York, refusing to give their

names. The open Putnam avenue car was the dogcart. They appeared to know who he young woman was.

She turned into Twenty-fourth street from Fifth avenue and the persons who were there at the time say the vehicle went around the corner on one wheel. The horse was greatly excited and this excitement was increased by the difficulty of crossing Broadway.

The brewery truck was in front of No. 45 West Twenty-fourth street. There is an excavation in the street at this point and the road way for vehicles is

an excavation in the street at this point and the road way for vehicles is narrow. The high-strung horse attached to the dog-cart stopped and refused to go further.

This did not appear to disconcert the pretty young driver. Getting a good grip on the reins she used her whip effectively for a moment and then called to the horses to go ahead, at the taums time slightly slackening the pressure on his mouth.

Horse Quickly Boited.

He bolted like a shot, straight for the control of the process and conductor Fred Bauman, of the wrecked car, were hurried away by the B. R. T. claim agents, although McClung is said to be injured.

on Great Rip. off the east end of the is and of Nantucket. The crew is safe.

The schooner is bound from Newport News, Va., for Boston, The Paimer news, Va., for Boston, The Paimer has the built the News, Va., for Boston. The Paimer went aground during the night, but the accident was not known here until Capt, Willoy and the mate landed at the Sankaty lighthouse to-day. Soon afterward other members of the crew were sighted coming ashore in boats.

The Jane Palmer registered 2,823 tons. She sailed from Portland, May 4, for Norfolk, artiving at the latter port Nows and took on a cargo of coal. The managing owner is William B. Palmer, of Boston.

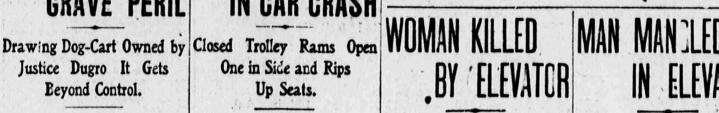

BLOODHOUNDS IN HUNT FOR NEGRO.

Fugifive Put Of Train Stoned the Cars and Then Shot and Killed the Conductor,

BRIDGEPORT, O., May 20.—Blood-hounds are after Charles Fieldsam, a negro, who shot Conductor Chaney, of the Bridgeport Traction line, early today. The conductor had put Field aim off the car and he threw rocks at the car, striking Grace Seabright and Nora Scirling.

As the car returned from the end of the line the negro opened fire on the conductor with a shotgun and killed him.
